Shobhit University, Gangoh

The journey to empower the nation through education, particularly in the rural India, has its origins from a remote village Gangoh followed by another village Dulhera in North India. It was in the year 1989, when under the aegis of NICE Society, envisioned by Babu Vijendra Kumar Ji, an eminent agriculturist and social worker who had a dream to people especially empower the down trodden through education. In the next few years his dream was nurtured by a team of eminent professionals, technocrats, educationists and social workers. Shobhit University, Gangoh is a well reputed State Private University established in 2012 through Shobhit Vishwavidyalaya, Uttar Pradesh Adhiniyam, 2011 (U.P. Act No.3 of 2012), Government of Uttar Pradesh and recognized under the section 2(f) of the UGC Act, 1956.

The University offers a wide range of programs in Pharmacy, Ayurveda, Naturopathy & Yogic Sciences, Management, Education, Electronics & Engineering, Biotechnology, Biomedical Engineering, Law, and Agriculture etc. The University is complimented by highly distinguished and eminent faculty and strong research facilities at its smart campus. The University offers graduate, postgraduate, professional and Research programs to the student community adopting best national and international practices.

ABOUT THE ADARSH VIJENDRA INSTITUTE OF PHARMACEUTICAL SCIENCES (AVIPS)

AVIPS was established in the year 2006 by NICE Society, Saharanpur to meet the requirements of technically qualified personnel in the field of pharmaceutical sciences. The institute currently offers D.Pharm, B.Pharm, M.Pharm and Ph.D. Programs. The institute is approved by Pharmacy Council of India. The institute has become the constituent institute of Shobhit University, Gangoh in 2013. After becoming part of Shobhit University, the AVIPS is growing progressively as a place for research in pharmaceutical science. To support and realize the objectives & goals, the institute provides aesthetically furnished class rooms, well equipped laboratories, library and other facilities to the students. The institute seeks to promote and popularize professional education in the area of pharmacy. The success of institute is reflected by its excellent placement record and good number of publication in journals at national and international level.
